ABSTRACT

The maximum length is 1 page including the title. The main text must be written using time 12 as font style and size. The format for the text is: top 2.5 cm; bottom 2.5 cm; left 3 cm; right 3 cm. Leave a line clear between paragraphs.

The file must be in MS Word format only and should be formatted for direct printing. Figures and tables can be embedded and not supplied separately. Please make sure that you use as much as possible normal fonts in your documents. Special fonts, such as fonts used in the Far East (Japanese, Chinese, Korean, etc.) may cause problems during processing.

Please do not alter the formatting and style layouts which have been set up in this template document. As indicated in the template, papers should be prepared in single column format suitable for direct printing onto A4 paper (192mm x 262 mm). Do not number pages on the front, as page numbers will be added separately for the preprints and the Abstract Proceedings.
